SOFT SKILLS

- Teamwork
- Proactivity
- Time Management
- Quick Learning
- Problem Solving

LANGUAGES

- Spanish: Native
- English: B2 certificated
- French: Basic

EXTRA INFORMATION

- Driver's License: Class B
- Received French lessons up to B1 level, although not certified by an exam

Antonio Garrido Masse

I AM A FOURTH-YEAR COMPUTER ENGINEERING STUDENT AT PABLO DE OLAVIDE UNIVERSITY, PASSIONATE ABOUT COMPUTER SCIENCE, TECHNOLOGY, AND OPEN-SOURCE PROJECTS. I HAVE A STRONG ABILITY FOR LEARNING AND I AM ALWAYS SEEKING NEW OPPORTUNITIES TO DEVELOP MY SKILLS.

EXPERIENCE

- **PRIVATE TUTOR (2019-2022)**

Mathematics, Physics, and C and Java Programming Tutor.

- **RESEARCH ASSISTANT (02/2024-06/2024)**

Student intern at the Big Data & Data Science Lab at Pablo de Olavide University.

- **TREASURER OF ESOLIUPO (2024-)**

Treasurer of the Free Software Association at Pablo de Olavide University (ESOLIUPO). Due to my commitment to free software, I am part of the decision-making body and we have collaborations with companies for events and training.

EDUCATION

COMPUTER ENGINEERING STUDENT (2021-)
Bachelor of Science in Computer Engineering with a focus on Information Systems, Pablo de Olavide University

TECHNOLOGY COURSES
Completed a variety of courses on CODECADEMY and Programming Hub

TOOLS

WEB DEV

- **Javascript and Typescript: Node.js, Express.js, Deno, Angular...**
- **Python: Django and Cherrypy.**
- **Java: Java EE and Java Spring.**

DATA SCIENCE

- **Python: For data science, from data loading and preprocessing to machine learning algorithms and evaluation of results, using libraries like sklearn, pandas, numpy, streamlit...**
- **Graphic tools: like KNIME or Orange.**
- **Databases: both relational with SQL and non-relational like MongoDB.**

SOFTWARE ARCHITECTURE AND DESIGN

- **Thanks to my education in Computer Engineering, I have knowledge of software design patterns, I also have knowledge of the analysis and design phases, I also have knowedge about project planning.**
- **Additionally, I have knowedge in database modeling, as well as database administration and maintenance**
